

Floorspan Contracts Ltd  
Unit 1  
Europa Square  
Europa Way  
Wisbech  
PE13 2UR

2015  
Certificate number 0086-CPR-612002  
Beams for beam and block floor systems  
Relevant harmonised standard-BS EN 15037-1:2008

**Identification code**

**150mm**

Concrete compressive strength                      fck                      =                      55 N/mm<sup>2</sup>

**Prestressing Steel:**

Ultimate tensile strength                      fpk                      =                      1770 N/mm<sup>2</sup>

Tensile 0,1% proof-stress                      fp0.1k                      =                      1556 N/mm<sup>2</sup>

For geometrical data, detailing, mechanical strength, fire resistance, acoustic insulation index and durability see the design specifications;

See Design drawings and clients specification.

The performance of the product identified above is in conformity with the declared values, when installed in accordance with the manufacturer's instructions.
